

Join us for a free guided tour of Art The Box!

Tonight, August 2nd at 6pm

Come explore Art the Box - a collection of new art installations on traffic boxes located throughout downtown Eugene. These boxes were selected as part of a public art competition.

"Art The Box aims to engage visual artists in an effort to inundate downtown Eugene with compelling 2D work on selected traffic control boxes and bring a smile to people's faces."

Wendy Huhn is an established artist working out of Dexter, Oregon. As a University of Oregon graduate, she is proud to breathe life into the grey urban landscape by applying her colorful, fun, and vibrant aesthetic to 13th Avenue as it travels from downtown into the heart of the UO campus. You can learn more about Wendy's exciting artistic endeavors at <http://www.wendyhuhn.com>

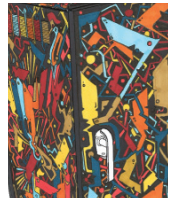

Art The Box locations: 13th & Willamette (2 boxes), 13th & Oak, 13th & Pearl, and 13th & High.

Bryan Putnam is a University of Oregon MFA Candidate who has created a story of the great bear and her fantastic and fearful wildness. Conflating history, diverse folk tales, and mythologies, he weaves an idiosyncratic Northwest mythos through text and image into our downtown Eugene urban landscape. You can follow Bryan's path as an artist at <http://iamrainier.com>.

This work on traffic control boxes represents the flow of electrical energy through infrastructure, which is vital to the continuous motion and movement of life in the city.
