## How It Works

### 1. SELECT YOUR ARTIST

View over 20 artist profiles at [lanearts.org/artists](http://lanearts.org/artists) to see who best fits your classroom and curriculum needs. Profiles include program descriptions, reviews and photos.

### 2. SUBMIT ONLINE FORM

Fill out our request an artist online form with your top three choices and preferred dates. Staff will check artist availability and confirm with you.

### 3. SCHEDULE

School staff and artists work collaboratively to create a schedule. Residencies are typically 40 hours long, for two weeks, with 4 contact hours per classroom. However, schedules vary and can be adapted to fit artist and school needs.

### ARTIST RESIDENCY FEES

\$1650 for two weeks (40 hrs).  
\$800 per additional week (20 hrs) with the same artist.

The cost of supplies and travel are not included in the above fees, if applicable.

**We will work together to make a residency possible for your school!**
